[CELEBRATING VNB'S 20TH ANNIVERSARY!](#)

It makes us proud as members of the Virginia National Bank family to celebrate our 20th anniversary — crossing yet another milestone in our company's history! We want to take this occasion as an opportunity to thank the communities, businesses, charitable organizations and individuals we serve in both Charlottesville and Winchester.

Dave Fafara, owner of [Shenandoah Joe Coffee Roasters](#), is a busy professional known throughout Charlottesville for his work in the community, but is most commonly recognized for roasting and brewing high-quality coffee that he sells at several coffee shop locations, at the Charlottesville City Market, and in stores. Dave began his banking relationship with VNB when he started his business and appreciates the local support VNB provides. VNB is grateful for Shenandoah Joe's amazing coffee and wonderful relationship. If you haven't seen the expanded coffee shop on Preston Avenue, you should pay them a visit!

VNB supports many local businesses and to show our appreciation, we highlight several business owners in our advertisements. Look for VNB customers featured on our website and lobby monitors, on the CBS19 News [Local Business Spotlight](#), and in the *Charlottesville Business Journal* in the [Daily Progress](#). At VNB, we understand that when these local businesses thrive, it makes our community stronger. We appreciate all of our VNB customers and hope to continue to serve them for many years!
